

Report Generator *PRO* Option

Nethris Internet Suite

NETHRIS[®]

Facilitate and accelerate decision-making for your managers.

Easy to use and efficient, this option enables you to meet several human resource administration-related requirements while simplifying the management of employee-related data. This option will allow you to...

- Design report templates adapted to your needs using a simple assistant tool;
- Generate summary reports containing only the stipulated information;
- Save report templates for future needs;
- Share your report models with colleagues and other users;
- Export data into several formats (Microsoft[®] Excel, Adobe[®] PDF and text);
- Access many data sources covering all Nethris Internet Suite modules;
- Generate reports using pre-designed templates (*system template*);
- Generate reports using real-time data.

Not enough time to design your own report models?

No problem, just ask one of our consultants to create one for you. Find out more!

For More Information
